

## **Respect For Others: I will treat other people the way God wants me to treat them!**

Play a game of telephone as a family using the Main Point. Sit in a line as a family. The first person in line should whisper the Main Point to the next person and pass it down the line. The last person in line says it out loud. Repeat the process until the last person in line says it out loud correctly.

**Bible Verse:** "Respect everyone, and love your Christian brothers and sisters." 1 Peter 2:17a NLT

**Read the Bible Story together:** Elisha and the bears. (2 Kings 2:19-25)

Ask your child if the boys in the Bible story showed Elisha respect. What could they have done differently to show respect to Elisha?

### **Respect Everyone**

The Bible is very clear on the subject of respect. It tells you in 1 Peter to respect everyone. That means to even respect those you might not like very much! The Bible tells children to respect their parents too. Describe a time to your child when you did not show your parents respect. Explain to them the consequences and the trouble it caused. Ask them to tell you of a time when they didn't show someone respect. What happened? Make a list together of ways your child can show the people in their life respect, even the ones who may not show them respect in return!
