## FAMILY ACTIVITY

### Lesson 3: I Will Help!

Today, your child learned to be a good helper. They learned the importance of being kind and helping others when they see a need. This week, take a drive or go on a bike ride as a family. While you are out together, pay special attention to your neighborhood and those who live there with you. As you see needs around you, make a list and then decide as a family how you can help. Maybe a neighbor needs help with their yard work, or maybe your local park needs help getting litter picked up. Whatever the needs are that you find, work together as a family to help others and make a difference. Encourage your child to help whenever they find a need!
