Medical Release

Elevate November 6th and 7th, 2009

I give permission for my child to attend Elevate 2009 at LifePoint Church, FBCSmyrna campus. This medical release form authorizes any emergency medical or surgical treatment for my child by a qualified physician while under the supervision of any adult of the kid's ministry team of LifePoint Church. I also give permission for my child to be counseled by any kid's ministry team member of LifePoint church and understand the law requires them to report anything a child says that has harmed or could cause harm to the child or others. This is a church related activity and I release LifePoint Church from any liability. I assume responsibility for any medical or legal cost, and will provide transportation should it be necessary for medical or disciplinary reasons.
