

SPY CHASE

FAMILY DEVOTIONAL

Have fun doing these activities as a family, and circle the ones you completed. Have your child turn it in the next time he or she comes.

LESSON FIVE

Friends Work Together

BIBLE STORY:

During Bible Story time, read the story of the men who worked together to bring their friend to see Jesus. The story can be found in Luke 5: 18-25.

MAIN POINT:

Friends Work Together

ACTIVITY 1 - CLEANING DAY:

Designate a day this week that everyone is going to work together to clean up an area in the house: such as the living room, a specific child's bedroom, garage, etc. As you are cleaning up the area, talk about the importance of working together to accomplish something.

ACTIVITY 2 - PLANT A FLOWER:

Work together as a family to plant flowers in pots. Before you begin the project, ask you children how they can work together to plant the flowers in the pots. Encourage each member of the family to work together to pick out flower pots, put the soil in the pots, plant a flower, water it, etc. Continue working together to take care of the flower pot garden. While you are going through all these steps, talk about how hard it would be if you weren't working together.
